PROFESSIONAL SUMMARY

I am a 20-year-old emerging Mexican artist who, through art, would like to share a personal interpretation of everyday life. I consider myself a person interested in questioning new things and improving my skills to have a positive impact on others.

ACCOMPLISHMENTS

- Participation, both individually and collectively, presenting various projects developed in my career at the annual collective of the Faculty of Engineering, Architecture, and Design (FIAD) at UABC (2023)
- Certification in the screen printing workshop "El verano de la grafica" offered by CEART (2023)
- Collaboration with the muralist group "Mujeres por el mar" in creating a mural on 3Emes beach to promote environmental awareness (2022)
- Private ceramics lessons at L'Atelier (2022 - present)
